

## International Conference on Information Systems

Shanghai, China - December 4 - 7, 2011

*"East Meets West: Connectivity and Collaboration through Effective Information Systems"*

### PROGRAM INVITATION

The ICIS 2011 Program Committee invites submissions of completed research papers, research-in-progress papers, teaching cases and panel proposals. The conference theme, "East Meets West: Connectivity and Collaboration through Effective Information Systems," provides an opportunity for us to think more deeply about how information systems and information and communication technologies can contribute to the connectivity and collaboration of people, organizations, countries, and international institutions.

Conference website: <http://icis2011.aisnet.org>

### IMPORTANT DATES

**Submissions open:**  
Monday, January 31, 2011

**Submission deadline:**  
Tuesday, May 3, 2011

**Notification to authors:**  
Saturday, July 30, 2011

National Sun Yat-Sen  
University &  
City University of  
Hong Kong

### PROGRAM CO-CHAIRS

**Dr. Cynthia Beath**  
University of Texas  
at Austin

**Dr. Michael Myers**  
University of Auckland

**Dr. Kwok-Kee Wei**  
City University of  
Hong Kong

### SUBMISSION TYPES

We invite submissions in all areas of IS research and specifically encourage submissions related to the conference theme.

**Completed Research** papers are full-length papers of completed research projects. Accepted completed research papers will be presented at ICIS 2011 and published in the ICIS 2011 proceedings. See individual track descriptions at the conference website for topics of interest.

**Research in Progress** submissions are papers developed from promising but incomplete research projects that will benefit from the feedback of other ICIS participants. Accepted research in progress papers will be presented as posters at ICIS 2011 and abstracts will be published in the ICIS 2011 proceedings. See individual track descriptions at the conference website for topics of interest.

**Panel** proposals should be submitted to the Panels track.

**Teaching Cases** should be submitted to IS Curriculum, Education, and Teaching Cases track.

### TRACKS

1. Conference Theme
2. Visual Media
3. IT in Health Care
4. Breakthrough Ideas
5. Economics and Value of IS
6. Engaged Scholarship in IS Research
7. Global, International, and Cultural Issues in IS
8. Human Behavior and IT
9. Human Capital
10. Human-Computer Interaction
11. IS Curriculum and Education
12. Research Methods and Philosophy
13. IS Security and Privacy
14. Project Management and Outsourcing
15. Service Science
16. Knowledge Management and Business Intelligence
17. Online Communities and Digital Collaborations
18. E-business
19. Organization Theory, Strategy and Information Systems
20. General Topics
21. Panels

Association for Information Systems
